Howard's Rug Company
6110 Nancy Ridge Drive
San Diego, CA 92121

Dear Rob:

In the almost 20 years of doing business with you and your staff, I thought it might be a good time to express my appreciation. During this period of time, I have found your organization has met my expectations and in most cases, exceeded my expectations. The construction industry, as you well know, is a very demanding industry and can tax the most industrious individuals. Your staff has handled themselves professionally, even when events or outside influences make that difficult. This, in it of itself, is a truly remarkable achievement and you should be proud of your firm and its accomplishments.

I look forward to many more years working with Howard's Rug and Howard's Rug being part of Burger Construction's successful team.

Sincerely,

Herb Krul
Chief Operating Officer
