

Chuck,

I wanted to let you know I visited the Prentiss Properties job site today at The Plaza in Carlsbad and wanted to extend 'kudos' to you and your staff for doing an 'excellent' job of installation in their new office suite.

I know that special care and attention went into this job and it most definitely showed! I walked the space with my client from Prentiss, and she was very pleased, as is the new tenant.

I personally, would like to thank you for your incredible professionalism in this matter. Your follow through as project manager was well received, especially from myself by keeping a high level of regard in keeping the customer happy!

Thank you again to you and your staff...and be sure to tell them they did a terrific job.

Best Regards,

Jill
