GENERAL CONTRACTING

Dear Rob Hailey,

As one of the last trades onto a project and one of the most noticeable aesthetically, it is always with careful consideration we select our flooring subcontractor. It has been our pleasure working with Howard's Rug Co. over these past many years. In short, you make our jobs easier. We know with Howard's with can count on superior customer service, competitive pricing and a quality installation. Thanks for being such an asset to the Johnson & Jennings team and for always going the extra mile.

Sincerely,

Donna J. Vargo
