Dear Rob:

I wanted to thank you for the job your company completed at Mesa Distributing Co., Inc.

You and your team did a great job handling the difficult conditions presented by our project. I know it was not easy doing the work on weekends, coordinating the removal of the old carpeting, moving the furniture, installing the new carpet, and having everything back in place when we opened for business on Monday.

I was impressed with the attention to detail and the follow-up we received; it was always nice to have you or Harry waiting to walk through the job every Monday morning.

I was also pleased with the way in which your crew met our needs for security. The warehouse and office were always locked and secured in the manner we requested.

If we ever decide to tackle a job like that again (and I'm hoping we don't have to), you would be our first choice.

Thanks again for the good job and support.

Sincerely,
MESA DISTRIBUTING CO., INC.
