Re: Unlimited Credit Line!

Dear: Robert J Hailey

The last several years have been a tremendous challenge for all of us in the flooring business. Certainly contributing to the stress over these challenging times has been finding available sources of credit. In many cases we have found bank lines reduced (or eliminated) if they were available at all. With the prospects of recovery looming, the need for increased lines of credit becomes even more important.

To help you address this need, Shaw Industries has provided your company with an **unlimited credit line!** Your company has earned this unlimited credit line by demonstrating financial stability over time, including an ability to consistently manage your credit account in a current status. We have done this in hopes of helping you fuel your company's growth as business improves...and at the same time helping you also grow your business with Shaw.

We hope that you will use this unlimited credit line to increase your business with Shaw in not only carpet, but wood, laminate, ceramic tile, rugs, and carpet cushion as well! We know that to support the entire Shaw family of products that you need access to more credit.

All of us are ready for this recession to be behind us. Shaw Industries is committed to giving you access to expanded credit in order to help you grow. Take advantage of this...and thank you for your continued support.

Sincerely,
